

SARAH KOHL, MD

Sarah Kohl, MD works with organizations who want their employees to feel better, stay healthy, and get more out of the workday when they travel.

HEALTHY, WEALTHY, AND WORLD-WISE

- Feel better and stay healthy
- Be more productive
- Improve brain function
- Identify proper vaccines
- Speed up security checks

TROUBLE WITH TRAVEL

- Improve health and wellness
- Manage chronic health problems
- Transport medical equipment with ease
- Self-treat travel maladies confidently
- Improve compliance with 'Duty of Care'

WHAT CLIENTS HAVE TO SAY:

“The information she provided was excellent and the level of care outstanding. She was very knowledgeable. We absolutely loved the personal attention she gave us.”

LYNDA STUCKY, CLEARLY SPEAKING

“Dr. Kohl is well-qualified, prepared, personal, and effective. She assures that our executives have the immunizations, medications, and education required for their travel destinations. To say the least, we have been very impressed.”

KATHRYN BADER, AUDIA GROUP

“Without this organization I would not have thought of all the possibilities alone and would not have been half as prepared as I was.”

**JULIA PACILLO, STUDENT,
WASHINGTON & JEFFERSON COLLEGE**

DR. KOHL is a travel health expert. Her practical ideas and common-sense approach enable travelers to take control of their health and safety when they travel. She is a board certified physician and health educator. Her expertise in travel health has led her to present at seminars and educational programs for companies with a global reach. Prior to starting her business, Dr. Kohl worked as a vaccine education expert, helping doctors and patients understand how vaccines keep them healthy.
